MINUTES OF THE
ANNUAL MEETING OF THE WEST VIRGINIA
LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION
WHEELING, WEST VIRGINIA
MAY 19, 1988

The Annual Meeting of the Board of Directors of the West Virginia Life and Health Insurance Guaranty Association was called to order at 10:00 a.m. on May 19, 1988, in Wheeling, West Virginia, by Chairman John S. Boritas, pursuant to the prescribed advance notice to the membership.

The Board Members present were: John S. Boritas, Chairman (Metropolitan Life Insurance Company); Steve Rahn, Vice Chairman (Lincoln National Life Insurance Company); Jack L. Miller, Treasurer (Appalachian Life Insurance Company); R. Ray Poole (Peoples Security Life Insurance Company); and Herbert G. Knox, Secretary (Nationwide Life Insurance Company).

The guests present were: T. Randolph Cox, Legal Counsel; Mark Chandler, Accountant; Mauna Frye, Administrator; James Little, Claims Director, Fay Varney of Appalachian Life and Mitch Collins, Chief Examiner of the Department of Insurance. Insurance Commissioner Fred Wright, Legal Counsel Cheryl Davis, and Deputy Commissioner Hanley Clark were unable to be present.

The Minutes of the 1987 Annual Meeting was discussed and approved without revision upon the motion of Mr. Poole and second by Mr. Rahn. The motion by Mr. Knox to approve the actions of the Board of Directors in preceding calendar year was seconded by Mr. Poole and adopted without dissent.

Secretary's Report. Secretary Herb Knox presented the draft of the Association's Annual Report to the Insurance Commissioner. The discussion that followed indicated that the Association should not finalize the Annual Report until a current status report is received from the Receiver of the Iowa State Travelers Mutual Assistance Company (ISTMAC) insolvency. Such report was expected to be available in the next few weeks. The motion by Mr. Rahn and second by Mr. Miller to accept the draft of the Annual Report subject to amendment to include information on ISTMAC was adopted. Chairman Boritas instructed that the Annual Report be finalized as soon as possible and promptly transmitted to Commissioner Wright.

Treasurer's Report. Treasurer Jack Miller presented an overview of the financial status of the Association. He provided an estimate that a small amount of funds would be necessary to settle the long pending insolvency of ISTMAC. He indicated that about ninety-five percent of the ISTMAC operations had been completed. Mr. Miller stated that it appears that the assets recovered by the courts and the Receiver in the ISTMAC case would result in a substantial return of funds to the Association and our members. He suggested that the Association further consider and determine if:

(1) a refund of the ISTMAC surplus should be made to members, or

(2) the surplus be carefully invested by the Association and credited to members on future insolvency assessments.

Treasurer Miller continued his report by indicating that to date the assessment on the Farm and Ranch insolvency had resulted in the collection of $495,494.00. The Association has disbursed approximately $222,000 in claims payments and expenses. He concluded his comments by stating that not all of the assessments had been received but the remaining funds would likely be collected by the end of the month.

Audit Report. Mark Chandler of Lockwood and Chandler Certified Public Accountants, Inc. stated that he was no longer associated with the Appalachian Life Insurance Company. He indicated that his independent accounting company would be honored to conduct the annual audit and any requested update of the Association's financial status.

Mr. Chandler reported that as of the Audit and Financial Statement dated December 31, 1987, the Association continued to maintain a very strong and sound financial condition.

Chairman Boritas made the observation that this Association had continued to maintain the lowest claim costs of any of the other guaranty associations. He stated that there had been only one Class A assessment since the start up of the Association in 1977.

Claims Report. Claims Director James Little reported that there has been little change since the March 1988 status statement on ISTMAC. He verified that ISTMAC should be considered nearly complete. It has been several months since new claims and inquiries had been received. He stated that the Association had not received a distribution of assets from the Receiver.

Mr. Little provided a status report on the Farm and Ranch case. To date, 233 claims had been paid for a total of almost $214,000. He stated that the claims settlement process had been very difficult due to the lack of cooperation and information from the Receiver as well as the proof of insurance coverage in many cases, and the demands of insurance agents. He explained that several of the MET policies did not have an affidavit of residence and that most of the credit life and credit disability policies had not been signed by applicants. He continued by stating that more MET coverages were involved than originally estimated and that the Association may need an additional $100,000 over the amount assessed on members in order to pay claims. He indicated that most of the Farm and Ranch credit policies are single premium coverages and that the potential liability may be as long as nine more years. He observed that there was a need for at least one year of claims experience before the Association could move such coverage to reinsurance companies.

In effort to reduce claims costs, Mr. Little suggested the consideration of:

(1) the prepayment of loans on credit life and health, and

(2) the early refund of agents commissions which would be permissible under the so-called Rule of 78.

He continued by explaining that the prepayment of long-term loans would reduce the interest charges. Further, the Banks are permitted to make refunds under the Rule of 78 and that prepayment of the loans would reduce costs by the refund of unearned commissions and unearned premiums by a pro rata amount.

Chairman Boritas requested Mr. Cox to review the statutes relating to this situation and to make recommendations regarding the prepayment of such loans, methods of making refunds, and the legal matters that should be considered by the Association. It was agreed that no refunds would be made to banks until they present proof of refund to policyholders.

Mr. Little continued his claims report by stating that the absence of adequate information and documentation has greatly affected the prompt processing of claims. He added that he may have to obtain the hard file copy of records to enable the settlement of the MET claims. He concluded by stating that this case had been made more complex and difficult because it involved affiliated companies and the insurance departments in Kansas, Ohio and Texas.

Mr. Poole and Chairman Boritas asked several questions and made comments relative to making every effort to obtain the necessary documentation in effort to best serve and protect the interests of West Virginia policyholders. The Board expressed its appreciation to Mr. Little for his considerable efforts on this case and encouraged him to maintain the good work.

Chairman Boritas inquired if there would be a need for an additional Class A Assessment or Class C Assessment. Mr. Miller stated that perhaps we should delay the consideration of another assessment until a later date. He indicated that the Board has the authority to loan funds from the current account balances if it becomes necessary to pay claims.

Chairman Boritas commented on the status of law suits by the Receivers and indicated that the Ohio Receiver was taking action to retain all assets solely for Ohio policyholders.

Administrative Report. Mauna Frye reported that the administrative activities of the Association involve numerous telephone and mail inquiries from and to policyholders and claimants. She indicated that the administrative expenses were continuing at a very low level because the Association contracts for professional employees and office equipment on a needs basis without the purchase of any property. Mrs. Frye observed that the administrative costs had increased considerably since the Farm and Ranch insolvency due to the lack of information needed to process claims.

The motion of Mr. Rahn and second by Mr. Poole was adopted to express the great appreciation of the Board to the people of Appalachian Life for the effective and efficient processing of Association Claims.

The motion of Mr. Rahn and second by Mr. Poole was adopted that the Association pay the cost of processing claims to Appalachian Life.

The motion of Mr. Miller and second of Mr. Knox was adopted to pay the accounting and audit fees of Lockwood and Chandler, Certified Public Accountants, Inc.

Chairman Boritas reported that the Baldwin-United case was nearly completed. The Association's share of the total cost was only $6,800 as compared to the earlier projected liability of at least $100,000. He continued by indicating that the Association may receive a refund of as much as $1,800 of the $6,800 paid. The members of the Board commended the Metropolitan for the effective and efficient management of the Enhancement Plan for Baldwin-United policyholders.

Mr. Miller observed that it was not necessary to make an assessment on the Baldwin-United case. He reminded the Board that all of the amount of three assessments in the Old Security case a few years past had been refunded to members. Further, he indicated the Board's pleasure in the prospects of making a refund or establishing claims reserves for future credits on the pending ISTMAC insolvency.

Mr. Miller requested that the minutes reflect the Board's approval of and support for the National Organization of Life and Health Insurance Guaranty Associations (NOLHGA).

Election of Board Members. Chairman Boritas delivered the report that the Nominating Committee had nominated for a three-year term on the Board: the Nationwide Life Insurance Company, represented by Herbert G. Knox. Mrs. Frye reported that the number of ballots and proxies received exceeded a majority of the Association's membership. The Chairman called for additional nominations from the floor and, being none, the nominations were closed. the motion by Mr. Miller and second by Mr. Poole to reelect Nationwide Life to the Board was unanimously adopted.

Election of Officers. It was moved, seconded and adopted that the Association Officers to serve until the adjournment of the 1989 Annual Meeting be:

John S. Boritas, Chairman
Steve Rahn, Vice Chairman
Jack L. Miller, Treasurer
Herbert G. Knox, Secretary

The meeting adjourned at 12:55 pm.

WEST VIRGINIA POST-ASSESSMENT INSURANCE GUARANTY ASSOCIATION'S ANNUAL MEETING

The Annual Meeting of the West Virginia Insurance Guaranty Association was held on April 7, 1987 at the Marriott Hotel in Charleston, West Virginia beginning at 9:00 A.M.. In attendance were the Travelers Insurance Company represented by Jeff Baxter; State Farm Insurance Companies represented by K. Don Waskom; Westfield Companies represented by R. D. Welsh; Nationwide Insurance represented by Glenn W. Soden; Aetna Life and Casualty represented by Alan R. Marthinsen; Farmers Home Insurance Company represented by John Arbuckle; Municipal Mutual Insurance Company represented by Edward R. Marks, Jr.; James E. Lane, Administrator; representing the West Virginia Insurance Department, Hanley Clark, Deputy Commissioner, General Counsel, Cheryl Davis and John (Mitch) Collins, Financial Conditions Division and John Lobert, counsel for the Guaranty Association.

The meeting was called to order by Chairman Don Waskom with introductions of those in attendance. It was moved and seconded that the minutes of the association's 1986 Annual Meeting be accepted and the reading waived since copies of the minutes had been mailed to the menbers. Hanley Clark advised the association that Commissioner Fred E. Wright could not attend the meeting as he was out of town.

A financial report was given by Secretary-Treasurer Marks, which was accepted by the Board. He advised the Board of the following cash balances: a 30 day US Treasury Bill, yielding 4.9%, due 4/9/87 purchased through the Twentieth Street Bank, Huntington, W. Va. in the amount of $2,200,000, a checking account at the Twentieth Street Bank $218,267 and a money market account at the First Huntington National Bank in the amount of $326,156. Mr. Marks advised the Board that the investment in the monthly T-Bill would help relieve the FDIC insurance problem we were concerned with in the past year. He further advised the Board that Mr Lane would have access to the funds within a 30 day period by reviewing his financial needs on a monthly basis. The investment committee began this practice in December after a meeting of the members which comprised: Jeff Baxter, Dick Welsh and Ed Marks. The report of the annual audit performed by Ernst and Whinney was given by Glenn Soden. Glenn reported that he had the opportunity to meet with the auditors in Columbus and they gave the association a very clean audit report stating that the practices and procedures administered by the association were very good. He noted that the service fees were down alittle this year and advised once again that the auditors pointed out the efficiency of the association by the sharing of expenses with the Ohio Association. Each member received a copy of the audit report for their review. The report of the financial audit was accepted by the Board.

Administrator James E. Lane reported to the Board reviewing the status of existing company insolvencies. Mr. Lane noted that there was not any board action required on the prior insolvencies, but the Board needed to ratify the acceptance of the following: Midland Insurance Company and Allied Fidelity Insurance Company and accept the insolvency for covered claims on the following: American Druggists' Insurance Company, Integrity Insurance Company and Mission Insurance Company. A motion was made by Dick Welsh, seconded by John Arbuckle to accept Mr. Lane's recommendation, motion approved unanimously by the Board.

Mr. Lane reviewed with the Board his assessment recommendations, a copy is made apart of these minutes. Mr. Lane advised the Board that there was the possibility of Ideal Mutual losses being below the assessment and that his estimate of the offset could be $1 million.

After considerable discussion there was a motion by Dick Welsh, seconded by Glen Soden to accept Mr. Lane's $1,550,000 assessment, but to defer the collection at this time. It was noted that the present funds appear to be sufficient at this time and hopefully the Ideal Mutual claims would be lower as indicated by Mr. Lane and there could be an offset of funds to lower the collection of the assessment in the future. The Board passed the motion unanimously.

Mr. Lane advised the Board that he recently met with an agents association in Charlestion where the topic of discussion was insolvencies and guaranty matters. He stated that the agents adopted a duty standard for the protection of their insureds which outlined what the agent should do concerning insolvencies and their danger signals.

Glen Soden reported on behalf of the Claim Committee Audit stating that the objective of the audit was to determine the adequacy of the Association's claim-handling activities. He advised the Board that the audit committee was interested in seeing (1) that adherence to proper procedures, (2) the quality of the investigations, (3) the adequacy of the file documentation and (4) that there was proper claim evaluation and reserving. Glen was happy to report that the audit committee did not identify any condition that they believed to be a material weakness or discrepancy and in fact it was their opinion that the West Virginia claims were being supervised and handled in a very effective and efficient manner. A motion was made by John Arbuckle, seconded by Jeff Baxter to accept the audit of the claim committee and write them a letter of appreciation for their fine work. The motion passed unanimously. It was also noted that the members of the claims committee were association members, but not members of the Board of Directors.

There was a motion by Ed Marks, seconded by Jeff Baxter that the auditing firm of Ernst & Whinney be retained for another year to do the financial audit of the association. The motion passed unanimously.

Don Waskon in his Chairman's report stated that he felt that over-all 1986 had been a good year for the guaranty association. He noted that while there had been some insolvencies, there had not been any assessments as they had been handled by offsets. He cautioned that he was concerned about 1987 as it may require an assessment for the membership.

Mr. Waskom reviewed the present service contract with the Ohio Association and recommended the contract be renewed. He also recommended the continuance of John Lobert as counsel for the Association. His recommendation was approved by the Board.

At the present time the Surity Bond the Association carries through Nationwide has a maximum limit of $300,000. The bond covers employees of the Association including the Ohio employees. Nationwide cannot offer greater limits at this time and Dick Welsh agreed to check other markets to see what is available.

John Arbuckle recommended in the future that the Treasurer be sent a copy of the bank statements on a quarterly basis as a means of further internal control.

A motion ratifying the action and activities of the Board, Administrator and Staff during the preceding year was properly moved, seconded and unanimously approved by the Board.

As counsel for the Association, John Lobert advised the Board that he had a client who is involved in an action against Integrity Insurance Company and he felt he should disclose this to the Board although it would not have any bearing on the Association. A copy of Mr. Loberts letter is made apart of these minutes.

There was a motion by Jeff Baxter, seconded by Dick Welsh giving the Chairman the authority to authorize the reimbursement of expenses, with advance notice, to NCIGF meetings and workshops for Board members. The motion was passed unanimously.

The representatives of the WV Insurance Department reviewed the status of Quality Insurance with the Board, stating that there were problems and that they were concerned. They also advised the Board that Mountaineer Fire and Casualty was in receivership and there was a liquidation hearing set for May 1, 1987. At this time there appeared to be approximately $250,000 in open claims, all auto.

Mr. Welsh reviewed the nominating committee's recommendation for officers for the coming year and the following were elected.

Glenn W. Soden -- Chairman
John Arbuckle -- Vice Chairman
Ed Marks -- Secretary/Treasurer

RATES AND FORMS DIVISION

In 1987, the Rates and Forms received and reviewed 14,504 rate and form filings; this is a decrease of 4,299 over 1986.

Property-Casualty filings account for 8,283 of the 1987 volume; life-accident and sickness filings account for 6,059 of the 1987 volume; and mass-marketed life, accident and sickness filings make up the remaining 162.

A total of 3,127 filings were disapproved in 1987, with 1,581 life-accident and sickness disapprovals, 1,511 propertycasualty disapprovals and 34 mass-marketed life-accident and sickness disapprovals. These filings were not in compliance with the West Virginia laws and regulations.

The total amount collected in filing fees for the year 1987 was $119,670.00.

Major Filings

(A) Personal Automobile Insurance Rates: Nearly all automobile insurers continued to file rate increases in 1987. While many increases were granted, the Insurance Commissioner often granted amounts which were much less than requested because filers failed to adequately document their requests.

Changes in components of the Consumer Price Index (CPI) demonstrate the changes in cost of items for which insurance pays; a comparison of the CPI for December 1987 with December 1986 shows the following increases:

Auto Maintenance and Repair	+3.8%
Medical Costs	+5.8%

State Farm discontinued production of the Crash Parts Index after the 3rd quarter of 1987. They will be replacing this information with the crash parts indices produced by ADP (Automatic Data Processing). This information will not be available until next year (1989).

An overview of the rates changes in property and casualty insurance indicates that most changes occurred in auto and homeowners insurance. The automobile market is subdivided into standard and substandard markets. In the standard market the highest and lowest rate changes are as follows.

Of those companies filing rate adjustments in 1987 the base premium for bodily injury liability increased as high as 48.3% by Hartford Insurance Company of Midwest. American States Insurance Company had the smallest increase of 5.8%. Property damage liability rates increased as high as 43.6% by Hartford Insurance Company of Midwest. A rate decrease of 1.3% in property damage was filed by Liberty Mutual Fire Insurance Company.

Experience for comprehensive and collision coverages were favorable during 1987 and most rates were reduced in the standard market. Prudential Property and Casualty Insurance Company reduced their comprehensive base rates by 20.7 percent. The largest rate increase for this coverage was 9.6% filed by Colonial Penn Insurance Company. Almost all of the rate changes for comprehensive involved a decrease.

The base premium for collision declined by 12.0% for the Nationwide Property and Casualty Insurance Company. There was a 1.5% base rate increase for American Economy Insurance Company which was the highest rate increase for collision rates.

In the substandard automobile market liability (i.e., bodily injury and property damage) increases were in the mid 30% range. Dairyland and the Travelers Indemnity Company of America received 32.3% and 38.2% base rate increases respectively. Comprehensive rates increased as high as 46.3% for Travelers Indemnity Company and as low as 24.5% Dairyland Insurance Company. The base collision rates increased by 35.9% by Travelers Indemnity Company of America and these rates were reduced 10.3% by Dairyland.

(B) Homeowners Insurance Rates: Continued deterioration in fire insurance experience prompted further rate increase requests in this area.

Homeowners insurance rate increases were in part based on the increasing costs of housing and building materials, as evidenced by changes in the related CPI changes occurring between December 1986 and December 1987:

Housing	+3.7%
Housing Maintenance & Repair Costs	+3.3%
Household Furnishings	+0.4%
Lumber and Wood	+8.3%

Most homeowners filings had rate changes in the range of 14% to 34% for different territories. Some territories did not have any rate increases but the largest rate increases involved a territory which, for most companies, includes Boone, Logan, Lincoln, Mingo, Wayne, and Wyoming counties.

(C) Health Insurance Rates: Continued quartum leaps in health care costs made corresponding increases in health insurance rates necessary.

Changes in health care components of the CPI are a useful yardstick; a comparison on December 1987 with December 1986 shows the following increases:

Physicians' Services	+6.3%
Medical Care Commodities	+7.1%
Hospital Room	+6.6%
Hospital & Medical Care Services	+6.8%

Rating Organizations

Section 33-20-4(e) of the West Virginia Code provides that "An insurer may satsify its obligation to make filings by becoming a member of, or a subscriber to, a licensed rating organization which makes such filings..."

The report is a summary of community fire protection classification surveys either conduted and/or published in 1987. Twenty five surveys were conducted during the year. Of this group, 20 were published. The others will either be completed and/or published early in 1988. Eight surveys completed late in 1986 were also published in 1987.

Of the 20 classifications published during the year, 18 represent improvements in class and 2 remain the same. Thirteen classifications represented towns or fire districts not previously classified.

Two West Virginia communities (Grafton & Huntington) continue to be published out-of-class awaiting the completion of improvement programs to regain their former class. We propose to review these communities in 1988.

CONSUMER SERVICE DIVISION

ORGANIZATION/PURPOSE

The Consumer Service Division is comprised of: six (6) Consumer Service Representatives, who serve as liason personnel between the insurance industry and insured citizens; three (3) clerical staff; and one Director/Attorney.

The Consumer Service Division is responsible for the review of facts surrounding complaints received against insurance companies and or agents. It is the Division's aim to objectively evaluate the facts of each complaint received in accordance with West Virginia Insurance Law and to mediate a fair resolution to each such complaint.

It is the further purpose of the Division to help inform both the public and the insurance industry as to their rights and responsibilities pursuant to West Virginia Insurance Law. As part of this endeavor it is the responsibility of the Division Staff to identify problem areas in the insurance industry and to help formulate policies and practices to alleviate such problems.

GENERAL ACTIVITIES

CONSUMER COMPLAINTS SECTION

The Consumer Service Division receives consumer complaints by mail, telephone, and by walk-in visits from the public. A complaint file is set up for each written or walk-in complaint and remains open until such complaint is resolved. A total of 3923 written inquiries were made to the Division in 1987 in addition to 848 walk-in clients. The Division also received 24,767 telephone calls of which approximately 53% were received on the "toll-free" line that is provided for the convenience of the citizens of West Virginia.

Through the efforts of the Consumer Service Division, approximately 3.6 million dollars was returned or paid to WV Consumers during 1987. These monies represent refund of premiums, and payment of claims unsettled due to a dispute, delay, or misunderstanding between the consumer and the insurance company.

Senior Citizen Seminars - Consumer Service Representatives visited thirty-three pre-scheduled locations throughout the state to discuss health insurance coverage, Medicare supplements, and any additional insurance problems. The total attendance for these seminars was 1339.

FINANCIAL CONDITIONS DIVISION

The primary responsibility of the Financial Conditions Division is to monitor the financial stability and solvency of insurance companies admitted to do business in West Virginia. This includes traditional Life and Health and Property and Casualty Companies as well as Health Care Corporations such as Blue Cross/Blue Shield Plans and Health Maintenance Organizations.

Prior to being admitted, these companies must file an application with the Commissioner. The applications of these companies, either foreign or domestic, are reviewed by the Financial Conditions Division to ensure that the appropriate statutes have been satisfied in regard to the companies' general organization and financial strength. Recommendations are then made to the Commissioner as to the admissability of these applying companies.

Those companies admitted by the Commissioner are then monitored by the Division to ensure that they maintain the financial stability and solvency necessary for the protection of West Virginia policyholders. Our primary emphasis in this area is with our domestic companies. Our monitoring of the domestic industry is effectuated through audits performed by in-house staff as well as field examinations. These field examinations are conducted by a staff of three Certified Financial Examiners. Once our responsibilities in regard to our domestic companies are satisfied, our field examiners participate in examinations conducted by other states upon their domestic companies that operate in this State.

Another responsibility of this Division is to ensure that companies operating in this State report and pay the appropriate taxes levied by West Virginia statutes. This process involves the reconciliation of companies' quarterly reports and payments to their year-end tax returns and remittances. This responsibility includes the record keeping and deposit of all taxes and fees that flow into the Insurance Department.

This Division is also responsible for the tracking and collection of taxes generated by the Excess Lines market. Excess Lines refers to business placed with companies that are not admitted in West Virginia. This occurs when certain lines of insurance are not available with companies admitted in West Virginia. Coverage is written with these nonadmitted companies by licensed insurance agents that have obtained an Excess Lines Broker's license from the Agent Licensing Division. The Excess Lines Brokers must provide reports to the Financial Conditions Division on individual policies written and remit the appropriate tax payment as detailed by the West Virginia Code.

During the period covered by this report, the Agent Licensing function was incorporated into the Financial Conditions Division. The primary responsibility of the Agent Licensing Division is to oversee the testing, application and appointment of resident and non-resident insurance agents and brokers.

The information that follows consists of commentary on the activities of the Agent Licensing Division as well as a breakdown of the West Virginia Insurance Market, the financial status of admitted companies and the revenues processed by this Division.

AGENTS LICENSING

The agent licensing examinations are administered by Educational Testing Service (ETS) at four locations throughout West Virginia.

Charleston - University of Charleston
Morgantown - West Virginia University
Beckley - Woodrow Wilson High School
Martinsburg - Martinsburg High School

A total of 3,550 exams were administered to 2,435 candidates. Sixty-nine percent (69%) of these examinees chose to appear as walk-in candidates rather than to pre-register for a guaranteed seating.

The Charleston and Morgantown test centers use a computer module testing system (Keyway) which allows for on-site scoring of exams and provides candidates with their exam results before they leave the test center.

Beckley and Martinsburg are administered in the traditional paper and pencil manner as candidate volume is not large enough, at this time, to warrant the electronic method.

Following are the cumulative figures of agent examinations and license applications, forms, and other requests processed during 1987 in Agent Licensing.
